MRS. ANNIE KIDNAPPED!

I am not who I say I am! I am actually an undercover agent working for the ADA (Awesome Detective Agency).

My real name is Jane Bond. I was hired by Académie Lafontaine because your principal has been kidnapped by a group of grade 6 students from this precise class . They have managed to pull off the perfect crime. Mrs. Annie has been missing for over 48 hours..

WHAT HAPPENED?

Last Friday, after school, between 3:00 and 7:30 PM, a group of unknown students kidnapped Mrs. Annie. We do not know who committed this crime.

What we do know is that the culprits are in this class!

WHERE WERE YOU?

With a partner, you must come up with an airtight alibi. You need to explain where you and your partner were and what you were doing between 3:00 and 9:30 PM last Friday evening. You and your partner need to create this alibi together (it does not have to be true so be creative!) You need to write down all of the details and learn them, as you will not be allowed to read from a prepared text when you are in front of the class. You must each speak for 1 minute explaining your alibi.

You and your partner will be interrogated as suspects, one at a time, in front of the class by a group of top rated detectives (the other students in your class). The first member of your team will share the alibi you and your partner have invented together with our detectives. (Meanwhile, the other member of your team will be waiting in the hallway). The detectives will ask detailed questions in order to find out as much information as possible. Next, you and your partner will switch places. Your partner will present their alibi. The detectives will now ask your partner detailed questions to see if your answers match up. The detectives' job will be to try to find a hole in your alibi.

CREATE YOUR ALIBI

YOU WILL BE EVALUATED ON YOUR ALIBI AND ON THE QUESTIONS YOU ASK DURING THE OTHER PRESENTATIONS. (FORMING QUESTIONS, USING QUESTION WORDS).

ANSWER THOSE QUESTIONS IN YOUR ALIBI

- Where were you?
- What were you doing?
- How did you get there?
- What time did you get there?
- How long did you stay here?
- What did you and your partner eat and drink?
- Who did you see?
- What did you your partner buy?
- How much did you and your partner spend?
- What were you and your partner wearing?
- When did you leave to go home?
- How did you get home?
- Did you both go to the same place after?
