

DIALOGUE Challenge

#4

FIRST, READ THE TEXT BELOW FROM BATS PAST MIDNIGHT. NEXT, COPY THIS TEXT IN A NOTABILITY NOTE. THEN, ADD THE CORRECT DIALOGUE PUNCTUATION WHERE NEEDED. FINALLY, MAKE SURE TO SKIP A LINE WHEN THERE IS A DIALOGUE.

Simon nodded and sneezed. Then he looked outside the Bat Cave. Sam! It's a the car I yelled.

I looked past the bushes and down the hill. There it was, parked on the road below. I could see

the Corvette better in the daylight. It's the exact same car we saw the other night I shouted.

What are we going to do? Simon asked. Maybe we should go down there and give the guy his

money back I answered back. Not yet we don't know for sure it's his money I mentioned.
