

6TH GRADE FIELD DAY

from Académie Lafontaine

created by Marie-Camille LePage

Now that you read and analysed the Field Day From The Black Lagoon, you are able to understand Mike Thaler's silliness. His field trip activities were interesting but we can definitely do sillier activities. Our class will create a competition where other students will have to try our amusing activities.

ON A POSTER

YOU WILL INCLUDE :

1. The material needed;
2. The number of participants;
3. The rules of the activity;
4. The steps of the activity
5. A drawing of the actions in your activity and difficult words to help understand your activity

YOUR TEACHER MUST APPROVE YOUR WORK FIRST.

PLAN YOUR IDEAS

Created by Marie-Camille LePage

Write the material you will need for your activity

Write the number of participants

Write the rules of your activity

Write the steps to your activity

Find a title to your activity
