

# UNDERLINE THE *alliteration*

created by Marie-Caville LePage

## California Girls by Katy Perry

California girls

We're undeniable

Fine, fresh, fierce

We got it on lock

## For the First Time in Forever by Kristen Bell

Because for the first time in forever

There'll be music, there'll be light

For the first time in forever

I'll be dancing through the night

# UNDERLINE THE *personification*

## Stop and Stare by One Republic

This town is colder now, I think it's sick of us

It's time to make our move, I'm shakin' off the rust

I've got my heart set on anywhere but here

I'm staring down myself, counting up the years

Steady hands just take the wheel

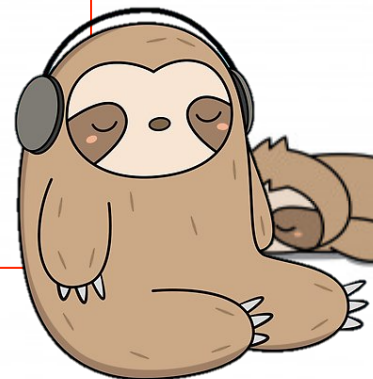

## Next 2 You by Chris Brown

One day when the sky is falling,

I'll be standing right next to you,

Right next to you.

Nothing will ever come between us,

## Boom Boom Pow by The Black Eyed Peas

I like that boom boom pow

Them chicken jackin' my style

They try to copy my swagger

I'm on that next thing now

That future boom boom boom

## Blah Blah Blah by Ke\$ha

Blah blah blah blah blah blah

Comin' out your mouth with your blah blah blah

Zip your lips like a padlock

And meet me in the back with a jack and the  
jukebox

# UNDERLINE THE *hyperbole*

## A Thousand Years by Christina Perri

All of my doubt suddenly goes away somehow.

One step closer

I have died every day waiting for you

Darling, don't be afraid I have loved you

For a thousand years

I'll love you for a thousand more

## Grenade by Bruno Mars

I'd catch a grenade for you

Throw my hand on a blade for you

I'd jump in front of a train for you

You know I'd do anything for you

Oh, I would go through all this pain

Take a bullet straight through my brain

## Big Girls Don't Cry by Fergie

I hope you know, I hope you know  
That this has nothing to do with you  
It's personal, myself and I  
We've got some straightenin' out to do  
And I'm gonna miss you like a child misses their  
blanket

## Thinking of you by Katy Perry

You're like an Indian summer  
In the middle of winter  
Like a hard candy  
With a surprise center  
How do I get better

# UNDERLINE THE *metaphor*

## Everything by Michael Bublé

You're a falling star, you're the get away car.  
You're the line in the sand when I go too far.  
You're the swimming pool, on an August day.  
And you're the perfect thing to say.  
And you play it cold but it's kinda cute.  
Ah, when you smile at me you know exactly what you

do.

## Stereo Hearts by Gym Class Heroes

My heart's a stereo  
It beats for you, so listen close  
Hear my thoughts in every no-o-o-te  
Make me your radio  
And turn me up when you feel low  
This melody was meant for you
