

# I'm Yours by Jason Mraz

Well, you done done me and you bet I felt it  
I tried to be chill, but you're so hot that I melted } 1  
I fell right through the cracks } 2  
Now I'm trying to get back

Before the cool done run out  
I'll be giving it my bestest  
And nothing's gonna stop me but divine intervention.

I reckon, it's again my turn  
To win some or learn some.

But I won't hesitate  
No more, no more.

It cannot wait,  
I'm yours } 3

Well, open up your mind and see like me,  
Open up your plans and damn you're free.

Look into your heart and you'll find love, love, love, love.

Listen to the music of the moment, people dance and sing, we're just one big  
family

And it's our God-forsaken right to be loved, loved, loved, loved, loved

Well, open up your mind and see like me, } 4  
Open up your plans and damn you're free.

Look into your heart and you'll find love, love, love, love. } 5

Listen to the music of the moment, people dance and sing, we're just one big  
family

And it's our God-forsaken right to be loved, loved, loved, loved, loved

So I won't hesitate

No more, no more.

It cannot wait,

I'm sure.

There's no need to complicate.

Our time is short.

This is our fate,

I'm yours

Do you want to come on, scooch on over closer, dear

And I will nibble your ear } 6

I've been spending way too long checking my tongue in the mirror

And bending over backwards just to try to see it clearer

But my breath fogged up the glass } 7

And so I drew a new face and I laughed. } 8

I guess what I'll be saying is there ain't no better reason

To rid yourself of vanities and just go with the seasons.

It's what we aim to do.

Our name is our virtue.

But I won't hesitate

No more, no more.

It cannot wait.

I'm yours.

Well, open up your mind and see like me.

Open up your plans and damn you're free.

Look into your heart and you'll find that the sky is yours.

So please don't, please don't, please don't...

} **9**

There's no need to complicate.

'Cause our time is short.

This oh, this oh, this is our fate.

I'm yours.

Oh, I'm yours Oh, I'm yours Oh, oh.

} **10**

Baby, do you believe, I'm yours?

You best believe, you best believe, I'm yours
