happy DAY

How would be the gift distribution?

How would your Christmas tree be decorated?

How would the rest of the house be decorated?

What food would you have for supper?

What time would you go to bed?

Who would you want to have by your side?

What would you do on Christmas Eve? On Christmas Day?

What would be the gifts you receive?

What activities would you do once Christmas has passed?

Would you want to travel somewhere?

What would you do on New Year's Eve? On New Year's day?
