# Marshmallow challenge

**Build the Tallest Freestanding Structure:** The winning team is the one that has the tallest structure measured from the table top surface to the top of the marshmallow. That means the structure cannot be suspended from a higher structure, like a chair or ceiling.

**An Entire Marshmallow must be on top:** An entire marshmallow needs to be on the top of the structure. Cutting or eating part of the marshmallow disqualifies the team.

**Use as Much or as Little of the Kit:** The team can use as many or as few of the 20 spaghetti sticks.

**Break up the Spaghetti, String or Tape:** Teams are free to break the spaghetti, cut up the tape
