

# SEQUENCE Master

## Morning Challenge (PART 2)

Read the text carefully and fill in the blanks using the appropriate sequence word suggested in the box below.

patiently - after a while - suddenly  
later - just then - finally - at this moment  
soon after - immediately - in the end

\_\_\_\_\_, Lisa sat down and waited for the mysterious person. Eager to know who it was, she kept looking around to see if someone was staring at her. \_\_\_\_\_, she noticed a small and familiar figure next to the fence. \_\_\_\_\_, the young girl frowned as she started to feel she had been pranked by one of her friend.

\_\_\_\_\_, she stood up and started walking and then running. She ran as fast as she could and hid behind a bush. \_\_\_\_\_, she could see her little brother running in her direction. She knew it! It was him who set her up! \_\_\_\_\_, she decided to jump out of the bush and scream her lungs out to scare him! It worked! \_\_\_\_\_, they both kneeled down and couldn't stop laughing about what had just happened.
