Name-Bow

1. First, create a cloud using construction paper.
2. Next, write your name in the cloud.
3. Then, calculate the number of letters your name have and cut that amount in colorful rectangles. It'd be fun if you'd represent the colors of the rainbow
4. Each rectangle should be an adjective that represents you.
5. Finally, staple or glue each rectangle to the cloud.

Here is an example
