

Name : _____ Group : _____

Nature Unleashed - Video

We Survived a...

In teams of **two**, write about an incident you experienced and create a video of it

Step 1 : Choose *one* of the following disasters :

- A blizzard
- An avalanche
- A hailstorm
- An ice storm
- A thunderstorm
- A tornado
- An earthquake
- A hurricane
- Volcano eruption
- A volcano
- A flood
- A blackout

Step 2 : Think about the incident you experienced. Write down the information

a) **When it happened:** It happened...ast year/yesterday/when we were ten years old.

b) **What it was:** It was...OR There was ...a blackout/an ice storm/a flood.

c) **Where you were:** We were...at school/at a friend's house/outside.

d) **Who you were with:** We were...with my English teacher/alone/with a friend.

e) **How long the incident lasted:** It lasted...a few minutes/a few hours/a few days.

Step 3 : Imagine you had to make a **911 emergency call** because of this disaster.

One of you will be the operator and the other the caller. Read the model dialogue on p.85 in Snapshot to help you create your dialogue. Make sure you answer the questions: what, where, when and who.

Step 4 : Finally, give us some information on how the whole event finished :

- **The damage it caused:** Some trees fell down/there was damage to the roof.
- **How both of you felt when everything was back to normal/when the incident was over:** When it was over, we felt...relieved/happy/afraid/disappointed OR In the end, we were.../We survived.
- **A few safety tips for others to follow in such a situation:** Stay indoors/Do not use your computer/Go to higher ground.
