

November 3

Correct the 10 errors in the following paragraph:

Do you know why election day in the united states is held on the first tuesday of november. Congress knew that most Americans jobs revolved around farming. The spring season is planting time and the summer is taken up with field work. By November, the fall harvest is usaly over, and the weather is still mild enuf to travel over unimproved roads. The first Tuesday after the first Monday allowed the voters time to go to church on sunday and still have enough time to travel to the county seat to vote; and also guaranteed it would never be held on the first of the month, when merchants were doing their books.
