

***ADDICTED
TO THE
IPAD***

By: Ève and Samara

**At her
birthday, Lacey
received a
beautiful white
IPad.**

She played ALL day
and ALL night. She
was completely
addicted to her
IPad. Since her
birthday, she did
not play outside,
Lacey only played
IPad

**one DAY, LACEY'S
FATHER CAME
AND SAID:" HEY
LACEY! DO YOU
WANT TO come
FISHING WITH me
TODAY?" LACEY
ANSWERED:" No,
non AND No! YOU
GAVE me AN IPAD,
I WILL PLAY WITH
IT!"**

LATER, LACEY'S MOTHER CAME TO HER AND ASKED:" HEY LACEY! DO YOU WANT TO GO SHOPPING WITH me TODAY?"

LACEY ANSWERED:" NO, NO AND NON! YOU GAVE me AN IPAD, I WILL PLAY WHIT IT!"

Afterward, Lacey's brother came and said: "Hey Lacey! Do you want to...." Lacey did not give time to her brother to finish his sentence that she yelled: "NO, NO AND NO! I don't want to go fishing, I don't want to go shopping, I want to play with my iPad!"

**Two hours later,
Lacey's boyfriend,
Johnny, came and
said: "Hey Lacey! You
play with an iPad? I
don't like those things.
I prefer to go fishing,
or shopping, or play
with my little
brother..."**

Lacey
looked at
him, a
little
surprised
and said...

" Euh, I don't like it too, it makes me waste my time. Yeah, I hate this iPad.

It is not mine... hahaha, no, it is my brother's iPad."

**FINALLY,
LACEY DID
NOT TOUCH
HER IPAD
AGAIN.**

E N D

Three white dice are arranged in a row on a white surface. The front faces of the dice display the letters 'E', 'N', and 'D' in a bold, black, sans-serif font. The top faces of the dice show the letters 'E', 'I', and 'Q' respectively. The dice are slightly rounded and cast a soft shadow on the surface below them.
