

An unforgettable person

Created by Marie-Camille LePage

Throughout your life, there were many people who have influenced you, who have changed you, who have helped you, who have guided you in difficult times. Think about one of those people and write a text on him/her.

Include the following:

- ☉ Name of your unforgettable person.
- ☉ Relationship between you and your unforgettable person.
- ☉ How this person touched you or what this person did for you.
- ☉ A minimum of two reasons explaining why you chose this person.
- ☉ At least one lesson this person has taught you.
- ☉ A conclusion (1 or 2 sentences will be enough)
